FURNITURE

FOSTER+PARTNERS

A play of ductal (lightweight material), tempered glass and stainless steel plates – the sturdy Arc table for Molteni&C is put together using tiny screws, creating an arresting sculptural display.

FABRIC

ELISA STROZYK

Ever thought lumber could win in this category? Giving old aesthetics a new interpretation with Wooden Textiles for Boeuer, Elisa uses veneer cutoffs to fabricate a tactile experience.

FLOOR COVERINGS

RICHARD WOODS

The Ex Aequo wood rug for Established&Sons mimics the designs of panelled timber or brick walls, creating an interesting optical game.

STUDIO JOB

The Perished Persian carpet by Job Smeets and Nynke Tynagel for Nodus High Design is a psychedelic offering with fossilised motifs of skeletons. Handwoven in India and with a density of 265 knots per square inch, it's provocative yet plush.
