RIGHT NOW DESIGN

WORLD CLASS ALTREFORME IS THE YOUNG, INNOVATIVE SIBLING TO THE FONTANA GROUP - WORLD LEADER IN THE DESIGN AND MANUFACTURE OF ALUMINIUM CAR BODIES FOR THE MOST PRESTIGIOUS AUTOMOTIVE COMPANIES.

10 Designed by Marco Piva for Altreforme, the District collection features polished aluminium applied to **tables, chairs, bookcases and lamps**. See studiomarcopiva.com or altreforme.com. **11** The 'Reconstruction' **chandelier**, by Japanese design company Kyoei Design, is made up of 12 industrial clip lamps. Go to kyoei-ltd.co.jp. **12** by Lyn and Tony create beautiful handmade objects and accessories. We love the gold-plated agate and kangaroo leather **necklace** at Space. Visit 2lyndantony.com or spacefurniture.com.au. **13** The 'Red Breast' **rug** is part of Studio Formafantasma's Migration collection for Nodus. See formafantasma.com. **14** Moooi's 'Gothic' **chair** by Studio Job replaces the dark aesthetic of traditional gothic furniture with the lightness of plastic in an array of colours. Go to spacefurniture.com.au. **15** Arne Jacobsen's 'Bellevue' **lamp** is available in floor, table or wall versions in black or white. Go to greatdaneurniture.com.au. **16** Strict engineering is disguised by the soft aesthetic of the 'Terra Firma' **table**, designed by Melbourne's Ross Didier. Visit rossdidier.com. **17** At this year's Milan Triennale, Bisazza paid homage to Italian designer Alessandro Mendini with an exhibition of his mosaic-covered **sculptures**. See bisazza.com. **18** We spotted the 'Rule of Time' **clock, calendar and ruler** at Macleay on Manning in Sydney. Enquiries to (02) 9331 4100. **19** Busnelli's 'Armadillo' **chair** features individual padded leather flaps supported by a polished chrome frame. Enquiries to fy2k.com.au.
